The above named is hereby licensed to carry on the business, trade, profession or other occupation stated herein. In issuing this licence the City does not represent or warrant compliance with other City of Vancouver by-laws. The licensee is responsible for ensuring compliance with all relevant by-laws of the City and additional approvals may be required provincially or federally. If this licence has been issued in conjunction with a time-limited Development Permit, this licence will not be valid if the Development Permit has expired and has not been extended. This licence must be posted upon the licensed premise and is valid at this address only.
